

Sei-Ki Touch

WEEKEND TRAINING IN DEVON

Developing Touch Communication Skills that Celebrate Life

with **Daniela Coronelli**

(Fellow & Teacher Member of the Shiatsu Society)

I really enjoyed and learnt a lot from the course. Sei-ki offers an embodied understanding on how to touch life and presence in each person. I found the weekend approached touch therapy with skilful tools and practices that I can integrate in my life and in my profession.

~ Dilek (Shiatsu Practitioner)

30th Nov - 1st Dec 2024
@ Totnes Natural Health Centre
TOTNES Devon 10.30am-5.30pm

The weekend is open to all practitioners who seek to deepen their shiatsu and manual therapy work (the weekend also counts as C.P.D.) as well as to interested people that would like to share the therapeutic and empathic effects of Sei-ki touch with their families and friends.

It offers body-work and life skills to enhance your inner and professional practice. It counts towards your CPD, while also being an opportunity to recharge body and soul.

DANIELA CORONELLI is a seasoned Shiatsu, Meditation and Amerta Movement practitioner and facilitator, with long-term experience of working with people through mindful & compassionate embodiment, as a therapist and as a course facilitator for shiatsu schools, organizations and independently organised groups.
