Cultivating Inner & Outer Ecology through Touch, Presence and Heartful Connection (Kokoro)

FRI 30 MAY - SUN 1 JUN 2025

(including Introductory Evening on Friday 30th May @ 6.30-9.00pm)

@ Totnes Natural Health Centre, TOTNES, Devon SAT & SUN: 10.30am-5.30pm

This immersive workshop is open to Sei-ki, Shiatsu, and Manual Therapy practitioners, as well as anyone interested in holistic healthcare. Whether you are a therapist or simply wish to cultivate deeper personal resources, Sei-ki's restorative and empathetic touch fosters profound connection and presence

"A very good workshop, I enjoyed the pace, the playfulness, and the peacefulness of it. I take home the openings and the listening aspects". "Great workshop for manual therapists or for people with an interest in holistic healthcare to overcome limiting habits and embrace the host. I would wholeheartedly recommend it"

~ Tuina & Chinese Medicine Practitioner and Teacher

DANIELA CORONELLI, FwSS, trained in Sei-ki with its founder, Akinobu Kishi, and has over 20 years of experience in practice and teaching. A Fellow and Teacher Member of the Shiatsu Society (UK), she guides individuals and groups in Sei-ki Touch, Mindful Living, Ecotherapy, and Amerta Movement, fostering grounded and compassionate connection. Based in Totnes, she runs a Shiatsu and Sei-ki practice and offers courses for groups and organizations.
